

# Oracle

  
**Garden**  
 LEISURE  
 www.gardenleisurepools.com

The Garden Leisure Oracle brings together human creativity and computer accuracy to create the most advanced design in above ground pools. The components are carefully crafted using the latest materials and Vinyl Plexi-Coat finishes, which result in a product that performs as well as it looks for years to come.

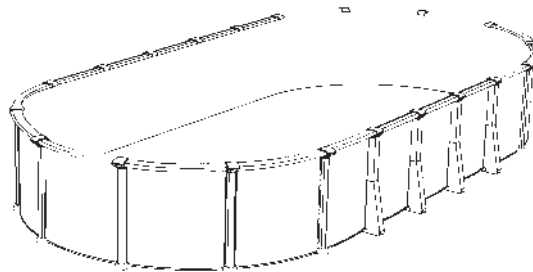

Image of Oracle with new Space Saver Uprights.

Your leisure lifestyle really is complete when you have an Oracle above ground swimming pool. If you want peace and quiet on a warm summer evening, or a family barbeque on a holiday weekend, it all happens around the Oracle pool. The Oracle provides the perfect backdrop for the lifestyle you want.

## The Oracle offers...

- Gold Series Pool
